

A WORD ABOUT OUR OWNERS

ROYSTAN PAIS, MBA, FACHE

ANGELA PAIS, PharmD

Roystan has a deep passion for working with seniors. After gaining experience in several large communities, he set out to create a more personalized environment where residents could receive individualized care. Raised in India, where elders are revered as valuable sources of wisdom and rich life stories, he believes that caring for those who once cared for us is among life's greatest honors.

Roystan earned his MD in India and practiced medicine there before moving to the U.S. He later completed an MBA at Indiana University. He served as Director of Homes for the Missouri Veterans Commission, overseeing seven veterans nursing homes across the state. Additionally, he teaches healthcare management to graduate students at Indiana University.

*Owned and operated by clinicians;
care is always a priority!*

Angela Pais is from Eldon, Missouri. She received her Doctor of Pharmacy (PharmD) degree from UMKC pharmacy school. She is a Geriatric Consultant Pharmacist with CVS.

She is passionate about reducing medications and polypharmacy among the elderly. She firmly believes getting rid of unnecessary medication increases the quality of life.
